

FA YOUTH CUP

CARLISLE UNITED

V

SHEFFIELD WEDNESDAY

Tuesday 11th December 2007
Kick-off 7.00pm

Good evening and welcome to what we expect will be an excellent game to watch.

I said at the beginning of the season that one of our aims was to make it through to the third round of the FA Youth Cup, and the team has worked hard to achieve that goal.

Tonight we can test ourselves against a very well established and well run Academy side, and I know the lads are looking forward to it. I was delighted with the way that we handled ourselves against Mansfield Town in the last round and, if we play anywhere near as well tonight, then we should be ok.

Both teams will be out there to win tonight, let's make no mistake about that, and both try to play football, so I expect that it will come down to which side keeps their composure, and does things consistently for the 90 minutes, that will go through.

Finally, for tonight, I would like to thank you all for coming. I hope you enjoy the evening and support the lads as they bid to get through to the next round.

Enjoy the game,

Eric Kinder
